Dear Ms. Birgit, Ms. Ilka,

I wish you all the best for 2025, and I'm pleased to have joined BMW Group Brasil at the beginning of last year as an intern.

This email is to provide you transparency about worrying situations in our workplace. Such concern was reported in a **SpeakUp case number 45717311**, at last November 16th.

If you feel safe to open my attachment, please find my original report in Portuguese. Otherwise, I think you can get the speakup case by its number.

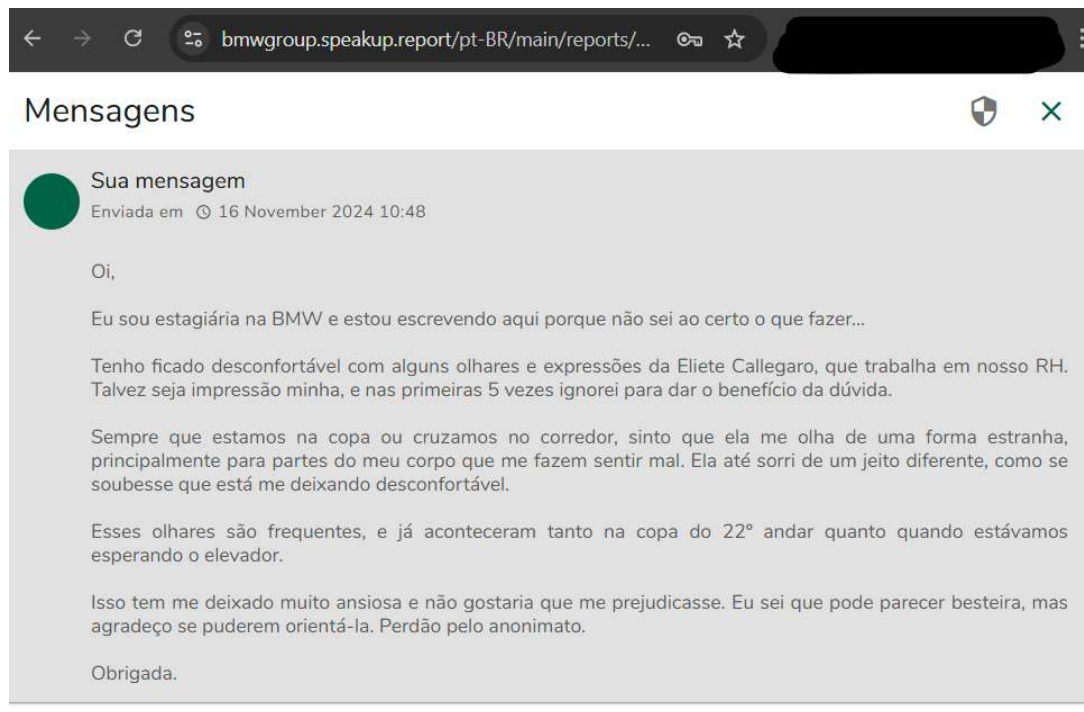

Since the great reputation of BMW Group regarding compliance topics, I feel very uneasy to see my case did not receive any treatment, and the inappropriate behavior of Eliete Calegaro (local HR) goes on.

My wish of kindly staying is due to high expectations of mine and my family over this great internship, which I love.

Sincerely, I don't see any action other than communicating that to news media and female-defense specialized NGOs.

Due to an obvious reason, this email account name does not match any BMW Group employee's name. I hope you both support me.

Best regards, ❤️
